## Cyprian Onkangi Makori

### Optometrist|Web developer

Dedicated and passionate Optometrist with 4+ years of experience, currently at Medina (since 2021) and previously at Aga Khan, specializing in delivering high-quality eye care services. Recently expanded skill set by transitioning into web development in early 2025, demonstrating a strong ability to adapt and grow in dynamic environments. Now seeking to bridge the gap between healthcare and technology, bringing a unique combination of clinical expertise and technical skills to drive innovation and improve patient outcomes. Committed to leveraging this dual expertise to make a meaningful impact in both fields.

### Work experience

#### ● Optometrist

Since September 2021 [Medina Hospital](#) Kenya  
Ocular examination, diagnosis and management.

#### ● Optometrist

From December 2020 to August 2021 [The Aga Khan Hospital](#) Kenya
